RECITALS

WHEREAS, the Seller designs, configures, and arranges the manufacture of custom food concession trailers;

WHEREAS, the Buyer desires to purchase one (1) custom food trailer built to the specifications set forth in this Agreement, and the Seller desires to build, sell, and deliver such trailer to the Buyer, subject to the terms and conditions herein;

NOW, THEREFORE, in consideration of the mutual covenants and obligations set forth below, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Parties agree as follows:

1. TRADE NAME DISCLOSURE

1.1 The Buyer acknowledges that "**Nova Food Trailer**" is an **unregistered trade name** used by Marcelo Ramos Schiaffino as a sole individual. It does not represent a registered corporation, limited liability company, partnership, or registered trademark.

1.2 All rights, duties, obligations, representations, and liabilities under this Agreement are those of **Marcelo Ramos Schiaffino, personally**, in his capacity as Seller. The Buyer enters into this Agreement on that basis.

2. DESCRIPTION OF THE TRAILER

2.1 The Seller shall build and deliver one (1) custom food concession trailer (the "**Trailer**") with the model and specifications below:

Item	Specification
Model	Nova 8' × 14' Custom Food Concession Trailer
Base unit	8 ft wide × 14 ft long, enclosed concession trailer

1	3-compartment sink with handwash sink
1	Cabinets
1	A/C unit
1	Water tanks (fresh & wastewater)
1	Electric water heater
1	Full exterior wrap / signage

2.2 **Approved Blueprint.** The Trailer shall be built according to the floor plan and equipment layout in the Blueprint attached as **Exhibit A**, which both Parties sign and which forms an integral part of this Agreement. If Exhibit A has not been attached at the time of signing, it shall be attached and signed as soon as it is finalized, and until then the equipment list in this Section 2 governs the build configuration.

3. PURCHASE PRICE

3.1 The total purchase price for the Trailer, fully built and equipped as described in Section 2, is:

TOTAL PRICE \$25,000.00	INITIAL DEPOSIT \$3,000.00	REMAINING BALANCE \$22,000.00
-----------------------------------	--------------------------------------	---

3.2 All amounts are stated and payable in **United States Dollars (USD)**.

4. PAYMENT TERMS

4.1 **Initial Deposit.** The Buyer shall pay the Initial Deposit of **\$3,000.00 USD** upon execution of this Agreement, which is required to reserve the Buyer's build slot and commence construction.

4.2 **Remaining Balance — Direct (Cash) Purchase.** For a direct, non-financed purchase, the Remaining Balance of **\$22,000.00 USD** shall be paid in installments according to a payment schedule agreed in writing by the Parties during construction, and the full purchase price must be received and cleared by the Seller before the Trailer is released and delivered.

4.3 **Application of Funds.** The Seller guarantees that all amounts received from the Buyer shall be applied toward the construction, equipping, and completion of the Buyer's Trailer.

4.4 **Financed Purchase.** If the Buyer finances all or part of the purchase through a third-party lender or under a separate financing agreement (Section 12), **the requirement of full payment before delivery in Section 4.2 does NOT apply.** In that case, payment, disbursement, and delivery shall instead follow the terms of the separate financing agreement. The Initial Deposit and any down payment remain non-refundable under Section 5.

4.5 **Currency.** All payments are made in USD.

5. NON-REFUNDABLE PAYMENTS

5.1 The Trailer is a **custom-built unit** manufactured specifically for the Buyer. Because materials, equipment, labor, and fabrication are committed and ordered specifically for the Buyer, **all payments made by the Buyer — including the Initial Deposit and every installment or down payment — are NON-REFUNDABLE** if the Buyer cancels, abandons, indefinitely postpones, or otherwise defaults on this Agreement.

5.2 **Seller Default Exception (Buyer Protection).** Notwithstanding Section 5.1, if the Seller fails to complete and deliver the Trailer for reasons solely and directly attributable to the Seller — and not caused by the Buyer's default, a Force Majeure event (Section 13), or the Buyer's failure to secure financing — the Seller shall **refund to the Buyer all amounts actually paid**, less only the documented, verifiable cost of materials and custom components already purchased and incorporated that cannot reasonably be repurposed. This clause exists to protect the Buyer's funds.

6. SELLER'S RESPONSIBILITY, BLUEPRINT & CHANGE ORDERS

6.1 The Seller **personally takes full responsibility for building the Trailer in conformity with the approved Blueprint (Exhibit A)** and the specifications in Section 2, including build quality and installed equipment, and shall remedy at the Seller's own cost any defect, fault, or detail that does not conform to the approved Blueprint, up to and through delivery and acceptance.

6.2 The Seller guarantees completion of the Trailer in accordance with the approved Blueprint and its delivery to the Buyer in accordance with this Agreement.

6.3 **Changes and Modifications (Change Orders).** The Trailer is built strictly according to the approved Blueprint (Exhibit A). **Any modification, addition, removal, or change** to the Trailer, its equipment, or the Blueprint after both Parties have signed **must be documented in a written change order signed by both Parties before the change is performed.** A signed change order may adjust the purchase price, the equipment list, and the delivery timeline accordingly. No verbal change is valid, and the Seller is not obligated to perform any change that is not documented and signed by both Parties.

6.4 **Blueprint Attachment.** The approved Blueprint shall be attached as Exhibit A and signed by both Parties. Until it is attached and signed, the equipment and specifications in Section 2 govern the build configuration.

7. CONSTRUCTION & TIMELINE

7.1 Construction of the Trailer takes place in Monclova, Coahuila, Mexico.

7.2 **Delivery Timeline.** The Seller shall complete and deliver the Trailer within a **minimum of three (3) weeks and a maximum of six (6) weeks** from the date the Initial Deposit is received, provided the Buyer remains current under the agreed payment schedule. The six (6) week period is a firm maximum, subject only to a Force Majeure event under Section 13.

7.3 The Seller shall provide the Buyer with reasonable progress updates during construction upon request.

8. DELIVERY & ACCEPTANCE

8.1 **Delivery Location.** The Seller shall deliver the Trailer to **Dallas, Texas**, to the specific address or staging location designated by the Buyer in writing.

8.2 **Delivery Condition.** For a direct purchase, delivery occurs after the Seller has received the full purchase price in cleared funds. For a financed purchase, delivery occurs as provided in the financing agreement (Section 4.4).

8.3 **Inspection.** Upon delivery, the Buyer shall inspect the Trailer. Any visible defect or non-conformity must be noted in writing at the time of delivery so the Seller may remedy it under Sections 6 and 10. Acceptance occurs when the Buyer takes possession without noted defects, or once noted defects are remedied.

9. RISK OF LOSS & DAMAGE COVERAGE

9.1 **Seller Bears All Risk.** The Seller assumes **all risk of loss, theft, or damage** to the Trailer during construction and during transit, until the Trailer is delivered to and accepted by the Buyer in Dallas, Texas. **Any damage occurring before delivery is covered and repaired by the Seller at the Seller's sole cost.**

9.2 **Transfer of Risk.** Risk of loss passes to the Buyer only upon delivery and acceptance of the Trailer at the designated location.

10. LIMITED WARRANTY

10.1 The Seller provides a **one (1) year limited warranty** from the date of delivery, covering defects in materials and workmanship of the Trailer build and the installed equipment.

10.2 During the warranty period, the Seller shall, at the Seller's cost, repair or replace any component found to be defective due to manufacturing or build defects.

10.3 **Exclusions.** This warranty does not cover damage resulting from misuse, abuse, accident, neglect, improper operation, lack of maintenance, unauthorized modification or repair, or normal wear and tear occurring after delivery and acceptance.

11. TITLE & DOCUMENTATION

11.1 **Title** to the Trailer transfers to the Buyer upon (a) the Seller's receipt of the full purchase price in cleared funds (or, for a financed purchase, the lender's disbursement or closing under the financing agreement), and (b) delivery of the Trailer.

11.2 The Seller shall provide the Buyer with a bill of sale and all documentation in the Seller's possession reasonably necessary for the Buyer to title and register the Trailer in the State of Texas.

12. FINANCING (SEPARATE AGREEMENT)

12.1 The Parties acknowledge that the Buyer may **finance all or a portion** of the purchase price. Any financing arrangement is handled under a **separate, independent financing agreement** and does not form part of this Agreement.

12.2 For a financed purchase, the payment and delivery mechanics of Section 4.4 apply, and **the full-payment-before-delivery requirement of Section 4.2 does not apply.**

12.3 This Agreement is a purchase agreement only and is not a financing or credit contract. The Buyer's obligations under this Agreement remain in effect regardless of the status of any separate financing.

13. FORCE MAJEURE

13.1 Neither Party shall be liable for any delay or failure to perform caused by events beyond its reasonable control, including acts of God, natural disasters, fire, flood, war, civil unrest, pandemic, government action, border closures, or material shortages (a "**Force Majeure**" event). The affected Party shall notify the other promptly and resume performance as soon as reasonably practicable.

14. LIMITATION OF LIABILITY

14.1 Except for the Seller's express obligations under Sections 5.2, 6, 9, and 10, each Party's total aggregate liability arising out of or related to this Agreement shall not exceed the total purchase price actually paid by the Buyer. Neither Party shall be liable for indirect, incidental, consequential, special, or lost-profit damages.

15. INDEMNIFICATION

15.1 The Buyer shall indemnify and hold the Seller harmless from any claim arising out of the Buyer's use, operation, or business activities involving the Trailer after delivery and acceptance. The Seller shall indemnify and hold the Buyer harmless from any claim arising out of defects in the Trailer existing at the time of delivery that are covered under this Agreement.

16. DEFAULT & REMEDIES

16.1 If the Buyer fails to make any payment when due or otherwise breaches this Agreement, the Seller may suspend construction and, after written notice and a ten (10) day cure period, treat the Agreement as terminated, in which case Section 5.1 (non-refundable payments) applies.

16.2 If the Seller materially breaches this Agreement, the Buyer's remedies include the Seller-default refund under Section 5.2 and any other remedy available at law.

17. INDEPENDENT RELATIONSHIP

17.1 Nothing in this Agreement creates a partnership, joint venture, agency, or employment relationship between the Parties. Each Party acts as an independent contracting party.

18. GOVERNING LAW & DISPUTE RESOLUTION

18.1 This Agreement shall be governed by and construed under the laws of the **State of Texas**, without regard to its conflict-of-laws rules.

18.2 The Parties shall first attempt to resolve any dispute in good faith. Any unresolved dispute shall be submitted to binding arbitration or to the state or county courts located in **Dallas County, Texas**, which shall have exclusive jurisdiction and venue.

19. GENERAL PROVISIONS

- 19.1 **Entire Agreement.** This Agreement, together with the signed Blueprint attached as Exhibit A and any signed change orders, constitutes the entire agreement between the Parties regarding the purchase of the Trailer and supersedes all prior quotes, discussions, and understandings, except that the issued sales quote is incorporated for the description and pricing of the Trailer.
- 19.2 **Amendments.** Any amendment must be in writing and signed by both Parties.
- 19.3 **Severability.** If any provision is held invalid or unenforceable, the remaining provisions shall continue in full force and effect.
- 19.4 **Counterparts & Electronic Signatures.** This Agreement may be executed in counterparts and by electronic signature, each of which is an original and together constitute one instrument.
- 19.5 **Language.** This Agreement is executed in separate English and Spanish versions for the Parties' convenience. In the event of any conflict or discrepancy between the two versions, the English version shall govern and control.
